

FRANCES FLETCHER MADE EDITOR OF PIONEER

Virgil Cowan Selected to Manage Year Book

Two of the most important council appointments of the year were made last week when Frances Fletcher was made editor-in-chief and Virgil Cowan general business manager of the college annual, The Pioneer.

In making these two appointments, the council feels that it has secured two very capable persons to handle the publication of the year book. Frances Fletcher, besides being one of the most popular students in school, is well qualified to edit The Pioneer, on account of her scholarship, originality and "pep." "Peter" is one of the most enthusiastic supporters J. C. has. She is always willing to help out with any phase of school activities. She has been tireless in her efforts to put the sale of game tickets across, being chairman of the ticket committee. She is also assistant editor of The Blotter, and vice president of the Spanish club, and was captain of the Freshmen women's basketball and soccer teams, and secretary of the W. A. A. last year.

Virgil Cowan, another ardent supporter of the Cardinal and Gold, was chosen to handle the financial side of The Pioneer on account of his business ability and

PIONEER DANCE TO BE HELD NOV. 12

November twelfth is the date to save for the first Pioneer dance. This is a fine chance to have a good time and help make The Pioneer a success. The entire proceeds of the dance go to The Pioneer fund. The dance will be held in the J. C. gym auditorium where there will be plenty of room for the anticipated five hundred.

Virgil Cowan, recently appointed business manager of The Pioneer, is in charge, and is making every effort to put the dance over big. He has secured a good five-piece orchestra for the evening. Admission will be \$1.00 a couple. Stanley Pugh is chairman of the advertising committee, and Litton Bivans has charge of the sale of tickets. Anyone wishing to sell tickets may get them from him. An inducement to ticket sellers is the fact that one is given free to the seller of every ten tickets.

The mixed chorus of the Junior College is preparing to sing in the Sacramento symphony chorus.

DEDICATION, OPEN PANTHERS BATTLE HOUSE MEMOR- ABLE EVENT WITH CAL. POLY TOMORROW

The dedication and open house ceremonies at the Junior College Friday evening, October 22, mark an important event in the history of the Sacramento Junior College. After the address of the dedicatory speaker, Mr. Will C. Wood, state superintendent of public instruction, the buildings were officially turned over by Mrs. Sam H. Cohn, president of the board of education, to Mr. Charles C. Hughes, superintendent and executive officer of the board. Mr. Hughes then turned over the buildings to President Lillard, who, on behalf of the faculty and students, accepted them.

After the dedicatory exercises, the thousand people who were in attendance inspected the different laboratories, offices and classrooms. Light refreshments were served in the cafeteria. Although the buildings were supposed to have been closed at 10 o'clock, there were several hundred people still in the building at 11 o'clock, which shows that they were very greatly interested in the buildings and equipment.

APPRECIATION FOR ART WORK

There are two students whose services are almost indispensable in making J. C.'s activities successful and yet their work goes almost uncommended. Therefore, The Blotter is taking this opportunity to thank these two, Ralph Smith and John Kroll, for the hours they have given to J. C. in making posters and signs to advertise college affairs.

Institute Date Set

Annual institute will be held this year on November 22, 23 and 24, and is to include only teachers of Sacramento county. This date for its session has been chosen so that the institute will fall during Thanksgiving vacation and thus school work will not have to be interrupted twice.

The caretaker's house on the campus is being occupied by Mr. Jordan, who is in charge of the buildings at the college.

The Panthers open their California Coast Conference season tomorrow afternoon with California Polytechnic on the high school field here.

Right there is your chance to offer your team the season's greetings. And don't send postal cards. They will not be accepted. The Varsity needs your support. Apportion yourself to see that it gets it.

That we have a team this year is well evidenced by the three practice games we have played thus far. The 34 to 0 trouncing administered to the Nevada Frosh, the hard-fought 6 to 0 battle with the Stanford Frosh, and the good showing made against the strong California Frosh aggregation all join hands to demonstrate that the Panthers are not to be treated lightly by any of the teams in the Conference this year.

Cal. Poly, being situated in San Luis Obispo and playing in this section for the first time, is in the way of an unknown quantity. The Poly men have played two conference games so far, and although they lost both, the teams of Modesto and San Jose will rise and state that their wins were not mere matters of taking lolly-pops from the infant.

Barring injuries which may have happened in the last two nights of practice, it looks like the full string of regulars will be in the

The Student Body's choice in the matter of selecting a yell leader is indeed a wise one, for Al Labhard is surely as good a leader and as enthusiastic a fellow as could be desired. What is needed now that a peppy leader has been obtained and new yells composed, is the co-operation of every student here. Watch the leader, learn the yells, and yell for all that's in you. Show the San Luis Obispo people tomorrow that S. J. C. has loyal boosters as well as loyal players. Don't get a cheer out of the cheer leader, but let him get a cheer out of you!

What is the matter with us that we can't make a better showing at an assembly than we did last week? Besides the fact that the number of students present was considerably less than at former assemblies, those who did manage to get there came strolling leisurely out to the gym about fifteen minutes after the time scheduled for the meeting to begin. Besides showing a decided lack of the proper spirit in school affairs, the delay caused by students not appearing at the stated time inconveniences the entire student body. It necessitates a postponement of the meeting until a large crowd assembles and this draws the meeting out over the entire lunch period. Students say that they cannot attend assemblies because it deprives them of their lunch hour, but if everyone would be punctual, trying to be seated in the gym at the exact time for the assembly to be called, the meetings could be conducted in a business-like manner and be adjourned in plenty of time for lunch.

Come to the assembly today, and come on time!

BLOTTER MAKES SIX-FIFTY ON PICTURE

The Blotter realized \$6.50 on the sale of tickets for "Brown of Harvard" shown at the California theater last Monday and Tuesday. The management wishes to thank the theater company for their donation of one-third of the ticket proceeds from this picture, and also James Holmes and his group of ticket sellers for their work in selling tickets.

One of the traditions that is being established at the Sacramento Junior College is that there will be no smoking anywhere within the square.

Frances Fletcher Year Book Editor

(Continued from Page 1)
 willingness to work. These two qualities are requisite for this position, for The Pioneer is no easy task. It requires brains, as well as hard work, and Cowan is no doubt the man for the job. He showed his "go-getter" qualities in helping with the last bonfire rally. In undertaking this task of publishing The Pioneer, "Peter" and Virgil have again displayed their loyalty to S. J. C., and it's sure that with such leaders the book will be the best the college has ever put out.

Within a short time, staff appointments will be made by the editor and work commenced on the book.

HALLOWEEN HIKE PLANS COMPLETE

The final plans for the Halloween hike have been made, and here they are: Everyone is to meet on the campus at 7 o'clock Saturday evening, ready for a good, spooky hike. Those who haven't automobiles of their own, come to 21st street and 2nd avenue, and they will be taken to the college. The automobiles may be parked on the campus, where they will be watched. The boys are to start out first and blaze the trail. Then the girls will follow. The hike won't be too long for anyone, so don't stay home just because you don't like long distance walking. Since we are going to hike, school clothes will be the proper costume to wear.

When the mysterious destination is reached, fortune telling, bobbing for doughnuts in which dimes, nickles and quarters have been baked, dancing and prizes will be only a part of the interesting program which has been arranged.

This is to be an all-school affair for everyone to take part in. Come on, or you will miss a dandy good time, packed with thrills and exciting happenings.

MEN'S GLEE CLUB MAKING DATES TO SING

The Men's Glee Club seems on a fair way to give our Alma Mater some good publicity. December 17, they have two engagements to sing, one at Weinstock-Lubin's store in the afternoon and the other at the Iowa section of the Chamber of Commerce in the evening.

Dale Frost, the new live wire manager, plans to have the club appear at the Senator Hotel and several theaters whenever enough pieces have been learned and suitable uniforms have been obtained. These engagements will probably be next spring when the club is in good training.

The club is about to adopt a constitution which provides for better organization.

J. C. Women Found to Lack Curiosity

Miss Cooledge has decided that women are not possessed with the fatal gift of curiosity as is generally supposed, for she has been trying in vain to call to the attention of several women of this college that their names are posted on the bulletin board. A final plea is herewith made to these women to see Miss Cooledge before October 29th.

Ralph Smith, '27, is the Junior College messenger. He makes a trip to town about noon time daily.

SERIES OF TEAS TO BE GIVEN BY COLLEGE GIRLS

Miss Cooledge has found another use for the college reception room, and the list of A's and B's posted on the bulletin board is no longer a mystery.

Friday, the women whose names begin with A and B will be hostesses at a tea in the reception room from 2 till 5 o'clock. Each woman may invite one guest, preferably her mother, aunt, or other woman friend. She will be charged the small sum of ten cents in order to provide for simple refreshments.

Every Friday hereafter a different group of women, selected alphabetically, will entertain until all have had a turn.

Miss Cooledge's object in suggesting this series of teas is to provide an opportunity for the women to get acquainted and for their mothers and friends to get in closer touch with the college and its work. This is just another instance of Miss Cooledge's interest in her girls.

KEEP OFF THE GRASS

Realizing that a college is beautified by its surroundings and that the appearance of the campus is an inspiration to all college students, a rule was adopted at the meeting of the Sophomore class held October 25th in regard to converting the lawns upon the campus into "short-cut sidewalks" and "lounging spaces." Under this new rule, all college students are forbidden to walk, run, stand, jump, ride, sit, lie or roll upon these lawns. No excuses to the rule will be accepted. The Sophomore class requests the co-operation of everyone in recognizing this rule and making it a custom.

Freshmen Make Plans for Next Bon Fire Rally

The Freshman class held a meeting in the gym on Thursday, October 21, at which plans for the next bonfire were laid. President Vess Minor asked for the support of each member of the class in putting over the bonfire, and then gave notice that he would resign at the next meeting, since he had too much to do to give his best efforts to the class.

S. J. C. Student Body Pres. Made Member of Lions Club

By unanimous action the Sacramento Lions Club decided that hereafter the president of the S. J. C. student body will automatically become a member of the Sacramento Den during his term of office. This is just one more bit of evidence of the support this service club has given to our college.

Students Make Announcements At Assembly

At an assembly on Friday last, October 22, the football men were sent off by a small but enthusiastic group of loyal students.

Tom Meckfessel, Panther captain, spoke about the next day's game. Robert Stafford announced that a limited number of stickers advertising the San Luis Obispo game on the 30th would be distributed, and that Junior College windshield stickers could be obtained at O'Neill Brothers' Service Station. Henry Patton spoke to the Freshmen, commending the girls for wearing their ties and reminding the boys of their dinks. He also stated that a Freshman honor roll had been started.

After Harry Wrinkle had told all about the relative merits of the Panthers and the U. C. Frosh, Al Martin announced the Halloween hike. The candidates for yell leader, Knowes Howe and Al Labhard, led some snappy new yells, and the assembly was closed with the school song.

At Last an Absent- Minded Prof.

This is surely getting to be a real college. We can now boast of one of those absent-minded professors you read about in "Judge." The teacher who is the proud possessor of this title is none other than our esteemed Mr. Cook. Last Wednesday morning he began lecturing on "Political Science" in his 8 o'clock economics class. Either the students must be bright, good guessers, or good bluffers, for the period was half over before Nilan Norris came to the rescue of one poor boy who was vainly trying to discuss the German political policy in regard to kindergartens, and showed Mr. Cook his mistake.

BEAR FROSH BEAT PANTHERS

Sacramento's Varsity played a game against great odds last Saturday when it met the University of California Freshmen. It was a lopsided affair, with the Bear Cubs having all the best of it. They won 34 to 0, the same score by which our men trounced the Nevada Freshmen two weeks previous.

We were outclassed. There is no doubt about that. But there is quite a favorable criticism on the way the S. J. C. team played. That game showed that our defense is adequate in most of its phases, and that our squad does not lack power, for it took power to make the first downs twice against that Frosh eleven.

We have no excuses. That we were beaten by a better team is granted. It is with a pang of pity that we think of the Stanford Frosh aggregation that will meet the Cubs on November 13.

Nearly the entire game was played in Sacramento territory. During the first half the Frosh experienced some trouble in making progress, but in the second portion they found the going easier due to Sacramento's injuries and the lack of substitutes.

Lom, halfback for the Frosh, started the scoring in the first quarter when he made 65 yards off of punt formation. A pass over the goal line by the same man

13 Bennett	30 Weems
14 Bickford	

netted another score in the second period. The three other scores came in the second half when the Cardinal and Gold line had weakened considerably.

The S. J. C. lineup was: Ends, Young, Slauson, Hand, Baggary; tackles, Weems, Patton; guards, Curry, Meckfessel, Bickford; center, Sommers, Tucker; quarter, Norris; halves, Libera, Van Tassel, Zarick; full, Bennett, Varinini.

Panthers to Battle - Cal. Poly Tomorrow

(Continued from Page 1)
game from the start. Willie Anater and Otto Kreuger, who were kept out of the Cal. Frosh game by injuries, are back into condition again and rearing to go. Tom Meckfessel and Lewis Bennett, both of whom received minor injuries in last week's battle, are also expected to be in the lineup.

The lineup for Sacramento tomorrow looks like: Young, r. e.; Weems, r. t.; Curry, r. g.; Anater, c.; Meckfessel, l. g.; Patton, l. t.; Hand, l. e.; Norris, q. b.; Kreuger, r. h.; Van Tassel, l. h.; Bennett, f. b.

Sacramento and Modesto High Schools will play their league game as a preliminary to the Varsity contest. The first game of the double-header starts at 12:30.

HIGH SCHOOL TO STAGE CARNIVAL

The Sacramento High School will on November 6, stage "The Carnival of Nations." Junior College students can help make it a success as well as enjoy a good time by attending.

GRID NOTES

Chico State boosted its average last week by defeating Modesto 20 to 0. Modesto was considered as a tough team, so Chico must be right there.

San Mateo is boasting a conference championship team this season. The Bulldogs won their second game by defeating Santa Rosa 49 to 12 last Saturday.

Word comes to us that Santa Rosa defaulted to Chico three weeks ago when they failed to show up for the scheduled game at Chico. That gives the Wildcats an extra lap in the race.

Correcting an error in the last edition, San Mateo beat San Jose 14 to 6, instead of a 6 to 4 win by San Jose.

PANTHER SCHEDULE

Nevada Frosh.....0; S. J. C. 34
Stanford Frosh.....6; S. J. C. 0
Cal. Frosh.....34; S. J. C. 0
Oct. 30, Cal. Poly at Sacramento.
Nev. 6, Santa Rosa at Sacramento.
Nov. 11, Modesto at Modesto.
Nov. 19, San Jose at San Jose.
Nov. 25, Chico at Chico.

Skeeters Plan to Devastate Farm

The S. J. C. Skeeters have a regular game scheduled with the Davis Farm seconds next week. It is scheduled for Friday afternoon.

With the shifting personnel of the well known Skeeters, many of whom are now advancing to the first or second string, it is a difficult matter to figure out a lineup. Ask Louie Guttenberger or John Sullivan. They will know.

Abdul Rahman, J. C. student, received serious injuries in an automobile accident last week.
